lenny, I'm not currently involved with this issue or have any knowledge of any inspections dealing with sites where Agremax has been used. I have forwarded your e-mail to Mr. Melvin Sotomayor Esq. Acting Manager to our Land Contamination Area.
Please let me know if I can be of further assistance.

Reynaldo,

I understand that EQB is or will soon be conducting inspections of sites where Agremax has been used, and would like to discuss this with you. Please call me at (212) 637-4039. We are scheduled to speak with Laura Velez tomorrow and I would hope to speak with you before then. Sorry for the short notice.

Best regards,

Len Grossman
